

Everything You Need to Know to Host an Awesome Event at Fireforge

Bringing a passion for craft brews and community to downtown Greenville, Fireforge Crafted Beer is an ideal setting for hosting an event. Whether you want to reserve a table for a work meeting of fewer than 10 or dream of booking the entire brewery for a grand reception, we have a space that's ideal for you.

We've read your mind and provided answers to all the questions you're asking yourself.

1. How much room do I need for my gathering?

Bear in mind two important things: size and privacy. Smaller events may occur during regular taproom hours as your attendees mingle with others throughout the taproom. Larger events require reserving a portion of the brewery for a fee.

We welcome groups of up to 10 to gather at our tables and bar. We are happy to reserve one table for you in advance.

We can also reserve half or all of our conversation corner for groups of up to 45 guests. Fees may apply.

Groups of more than 45 attendees must reserve the entire conversation area or the biergarden during taproom hours. Groups of more than 75 guests may need to reserve the entire brewery. Additional fees apply.

2. May I invite guests under 21 to the event?

That works just fine! Our brewery offers nonalcoholic craft sodas for underage imbibers. All guests 21 years of age and older who provide valid ID may purchase our alcoholic options.

3. What if people in my group don't like beer?

We have those folks covered, too, thanks to our menu of cider, mead and wine options.

4. May I bring other alcohol to the party?

We cannot legally allow other alcohol at any time to be served inside the brewery. If you have specific requests outside of our current menu, please let us know and we'll see how we can accommodate you.

5. May I bring my own food?

Fireforge features an on-site kitchen offering a variety of small bites, and we'd love to talk to you about designing an accommodating menu for your event. If you want to make a small food addition to your gathering, such as a cake for a birthday party, please let us know.

If you're hosting a larger gathering, we may be able to bring a food truck on site. Wanting to cater an event? Please let us know what you're planning and who you're interested in working with, as we

need to ensure all correct licensing is available. Fees apply.

6. What are the live entertainment options?

We always seek to have groovy tunes throughout the tap room, and if your event coincides with a night when we've booked live music, you'll have your own band. If you have special requests for music, please let us know so we can attempt to accommodate. Fees apply.

7. Is the parking lot big enough for everyone?

One of the beauties of our downtown location is our convenience to various parking options. You may find parallel spots on Washington, Irvine, Coffee, Spring and McBee. The [South Spring Street Garage](#) is only a block away, while [Richardson Street Garage](#) is just 0.3 miles away.

Of course, we encourage everyone to find a safe alternative to driving, such as Uber, Lyft or a taxi.
